

Request for Carer Involvement

Adult Social Care Prevention and Early Intervention Strategy 2022 - 2027

Adult Social Care Prevention and Early Intervention Strategy

A 5 year strategy designed to re-shape the way in which services are provided and make them much more pro-active and preventative, rather than reactive, as is the case now.

What tasks would you like carers to help with?

Review and critique of the identified themes within the draft strategy.
Membership of a Co-Production Group as the strategy develops.

How long will the project take?

The Strategy is for 5 years and we hope to take a series of individuals (volunteers) along with us to form a Co-Production Group for the Prevention Strategy, including carers representatives.

However, the initial request is for a Listening Event/Focus Group to talk through the 3 - 4 questions that the strategy seeks, initially, to deal with.

How can carers get involved?

Listening Events, membership of the Co-production Group, 1:1 discussions.

Contact: Adam Spencer. Adam.spencer@notts.gov.uk 07513 930343

Please send completed form to carersspacenotts@nottinghamshirecarers.co.uk so we can share your request with our carers.
