

## **Invitation to the CareCoach Service Users Advisory Group (SUAG) Introductory Meeting**

The CareCoach team would like to invite you to an online introductory meeting to meet the team, find out more about the project and what being part of the Service Users Advisory Group (SUAG) would involve. The SUAG is a patient and public involvement (PPI) group for the CareCoach research programme which is developing a package to support carers of people with dementia.

Geoff, our PPI lead, has been a carer for over 10 years will talk a bit about his involvement in the research since before the study came about.

Please note that by agreeing to come to this meeting, it does not oblige you to have to take part in the group. You may decide after the meeting that this is not for you and this would be fine too.

We do hope you can make this online meeting at **11am on the 9<sup>th</sup> June**. Please find below the schedule for the meeting and the link to join the meeting on Zoom.
