# Inspire Learning
Nottinghamshire

New to emailing and want to know how to set-up up an account, send and receive emails?

Want to know how to connect to wi-fi?

Keen to learn ways to stay safe online?

Not sure what @ and # are?

…Try the new, Learn Key Computer Skills course.

This **FREE face-to-face** 4-session course will focus on the following:

- Using a mouse and keyboard
- Making use of accessibility tools to make a computer easier to use
- Connecting to the internet safely and securely
- Setting up an email account (sending, receiving, and adding attachments)
- Learning e-safety tips (what is a secure website and how to buy goods safely)

Courses happening near you...
