

## What TuVida does

The TuVida approach is simple. We provide help and assistance to carers and people with care requirements, in ways that work best for them.

It's our aim to provide support that enables people to make the most of their lives.

## About TuVida

TuVida is a not-for-profit organisation, meaning that we invest any surpluses back into our services.

We have over 30 years' experience in care. You may have previously known us as a network partner of Crossroads Care, Carers Trust and/or Princess Royal Trust for Carers.

Today, we operate as **TuVida**.

We are registered with the Care Quality Commission (CQC) – the independent regulator of health and social care in England.

Our CQC performance rating is **GOOD**.

# Nottinghamshire Volunteer Service

At the TuVida Volunteer Service, we're here to provide help and support for people with disabilities and health conditions, at home and in the community.

We also support unpaid carers - helping them to get information, advice and take periods of respite when it's needed most.

## How will volunteering benefit your life?

Everyone knows that volunteering is about giving, but there's also plenty you'll gain. As a volunteer with TuVida, you'll have the opportunity to:

- Be part of a team that cares
- Receive ongoing training and support
- Receive a free volunteer DBS check
- Bring fun and fulfilment to your life
- Improve your CV with new experiences and a reference
- Share and enhance your life skills
- Support a charity and help your local community
- Meet amazing people and make a real difference

## Volunteering roles

We have a range of volunteer roles available with flexible hours. Whatever time you can give, is always appreciated! No qualifications are needed - just the ability to listen, be patient and caring.

Here's a snapshot of some of the roles we have available...

### Community befriender

To someone who needs it, you could be there to provide:

- A friendly voice over the phone
- A smile over a cup of tea or coffee
- A helping hand to accompany a carer or person needing care - perhaps to go shopping, or to meet their friends.

### Fundraising and events planner

Help us organise events in the community, and raise funds to continue the good work.

### Office support

Help us to answer phone calls, update spreadsheets and support our admin team.

'We're here to help carers when they need help most. Our volunteers are a hugely important part of what we do.'

Sue Cain | Volunteer Coordinator
